

**RELEASE OF LIABILITY**

I, \_\_\_\_\_, have been designated by \_\_\_\_\_  
PRINT NAME HERE EMPLOYER

to receive stormwater , sediment and erosion control training at the Colorado Department of Transportation’s (CDOT) training facility located at 4201 E. Arkansas Avenue, Denver, Colorado. I understand that the outdoor training facility presents certain hazards including, but not limited to, uneven ground surfaces, simulated construction features, water, snow or ice on the ground or other surfaces, and other hazards, and I accept the risk of injuries that may result therefrom. SUCH RISKS MAY INCLUDE, BUT ARE NOT LIMITED TO, RISK OF PROPERTY DAMAGE OR BODILY INJURY SUCH AS BROKEN BONES, LACERATIONS, MUSCLE OR LIGAMENT TEARS OR SPRAINS, BRUISES AND CRUSHING, DISMEMBERMENT, PARALYSIS AND DEATH, DUE TO TRIPPING, FALLING, USE OF HAND OR POWER TOOLS, FALLING OBJECTS, DEBRIS, OR OTHER OBJECTS AND STRUCTURES. In consideration of CDOT’s agreement to allow me to receive training at its training facility, I waive any and all claims I may have against the State of Colorado, or its agencies, officers, or employees for injuries that may arise from use of the training facility or which may arise from dangerous conditions of the facility or the operation of tools and training that may be encountered during my training session.

FURTHER, I agree to indemnify and to hold CDOT harmless from claims arising from any person or persons who might be injured by my activities while at the CDOT training facility.

I also state that I am participating in the training while acting within the scope of my employment by \_\_\_\_\_ (name of employer) and have no employment relationship with CDOT.
