Time: 8:00-5:00

Price: \$200 MCA member

Place: Hilton Garden Inn, Kalispell, MT

\$250 non-member

New price reduction!

This is an advanced course in Best Management Practices for Storm Water and Erosion Control. Upon successful completion of this course, individuals will be certified as a Storm Water Pollution Prevention Plan (SWPPP) Administrator.

This advanced course will cover the following:

- Best Management Practices (BMPs) for the control of Erosion and Sedimentation.
- Requirements for development, revision, implementation and amendments to the SWPPP.
- Procedures for conducting routine inspections of BMPs.
- Complete an Inspection Record.
- Procedures for evaluating Storm

Water Management practices used during construction.

- Complete a SWPPP evaluation.
- Develop a report of findings from a field site visit.
- Physical placement of BMPs at a field site (bring appropriate clothing/safety equipment).
- Inspection of BMPs at a field site.
- Testing of water turbidity (*tentative*).

Don't let your site look like the one pictured at the right! Proper BMPs will save time and money, making your customer happier and making the project more profitable for you!
