

ANNOUNCEMENT

Online CETC 150 Stormwater Management & Erosion Control (SMEC)

February 12, 2026

Registration & Payment: www.altitudeta.com

The online SMEC class is a **one-day** introductory program focused on the installation and maintenance of Control Measures for erosion and sedimentation on construction sites and covers the requirements of the construction stormwater permit. This is an excellent class to build your knowledge of permitting requirements and control measures to protect water quality. This course is the prerequisite requirement for the Qualified Stormwater Manager (QSM).

Time: 8am – 4:30pm

Topics Covered

- The Stormwater Program permit requirements and Stormwater Management Plans (SWMPs).
- Installing and maintaining construction site Control Measures

COST: \$250/person CEUs: 8.0

SPONSOR: Red Rocks Community College • (800) 933-8394
